Tucked away on a quiet tree-lined, dead-end street this brick-front Colonial sits on just over two wooded acres and is packed full of sleek upgrades + space galore! Its proximity to nearby marinas, hiking trails and parks make it a sure fit for the outdoor enthusiast. Being sold by only the second owners, the 4 bedroom, 2 full bathroom and a powder room on the main level home has it all and then some! Add in the spacious foyer, the separate living room with wood-burning fireplace, formal dining room, cozy den, loaded kitchen, great room with fireplace and screened-in porch and you're pretty much all set! The four true bedrooms on the upper level (and a possible 5th as a nursery or oversized walk-in closet for Primary Bedroom) offer plenty of space for all. The 70's kitchen was completely remodeled with porcelain tile floors, granite countertops and Omega cabinetry and all new appliances. Flooring has been upgraded throughout the home with low maintenance Lisbon Portuguese cork floors on the Main Level, solid oak floors in the Primary Bedroom and neutral, loop wall-to-wall in the other bedrooms and center hallway.
